DYNAMIK
The Squash Court Specialist

DYNAMIK Squash is a squash court construction, aftercare and maintenance company.

Construction

We are the UK & Ireland partners for ASB Squash who are world leaders in Squash Court design and manufacturing. We provide the very best in squash court construction using the very latest game changing technologies in the market.

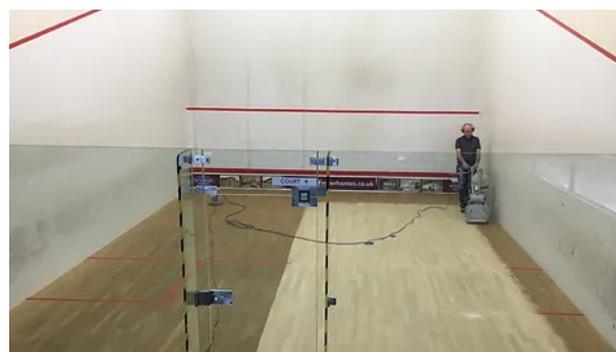

ASB ShowGlassCourt

The ASB ShowGlassCourt has a stunning visual appearance and allows promoters and event organisers to stage major tournaments, in superb locations, in a creative and innovative fashion.

Renovation and Maintenance

Your courts are a reflection of your club, therefore, it is vital that they are maintained correctly. Whatever your requirements, our squash court operatives are highly skilled and ready to revive your court.
